Director  
Central Intelligence Agency  
Langley, Virginia

Dear Mr. Colby:

On behalf of the Harvard Business School Club of Washington, I would like to invite you to be the speaker at our first Downtown Luncheon Group function this fall. Although we would like to schedule this event for sometime the third week in September, we would be happy to schedule it around your availability.

As I am sure you have surmised, the Harvard Business School Club of Washington is composed of alumni and former faculty members who live in the Washington area. Our activities span the range of public and private sector pursuits. I know our membership would be delighted to have you talk on any aspect of your agency's activities, be it the management of the intelligence community or press relations associated with the current wave of public interest in the C.I.A.

Other people who have accepted invitations to address our program include the Secretary of Labor, John Dunlop; Don Weedon, Chairman of the Board of Weedon and Co., the largest securities firm not associated with the two major stock exchanges; Herman Kahn, of Hudson Institute fame; and Roger Kennedy, Vice President for Finance at the Ford Foundation.

Should you accept this invitation, I will provide further details and make arrangements with any person you shall delegate. I would greatly appreciate a response by August 10th. Unfortunately, I am faced with a publication deadline.

I hope you will be able to accept this invitation.

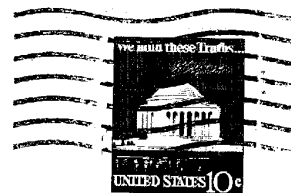

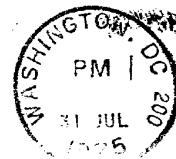

Sincerely yours,

*Robert H. Fuhrman*
